OUR COMPANY

■ What can we do?

RESEARCH AND DEVELOPMENT

We support the brands in the choice of the best yarn and stitch to make the designers' ideas come to life.

SAMPLING

We have a quick turnaround to develop pieces that follow the designers guidelines. We put extra care into details so that also production is optimized.

PRODUCTION

The garments are handled and looked after one by one in every single phase to constantly guarantee an excellent result. Our MOQ is 50 pieces per style.
